

After School Enrichment Clubs 2021 – 2022 (Autumn 2)

Core Purpose – Together, we can create a world of endless possibilities

Purpose in action through after school enrichment – We recognise our responsibility to create a wealth of enhanced opportunities that can enrich the life of our Wyndham children. Working in partnership with staff and external agencies, we develop experiences that provide opportunities that many Wyndham children may not otherwise receive. We listen to our children to provide enrichment sessions that they want to partake in, as well as look outwards to seek opportunities that widen experiences of the world, and develop new skills.
